

SA 12-Step Workshop

“Because merely sober is not recovery...”

Detroit Metro SA Intergroup is hosting a 12 Step retreat focusing on **working** the steps and how sponsors can help their sponsees through the Steps.

Bill S. from Nashville TN will lead our sessions and provide years of experience, strength and hope for all who attend.

The workshop will be held over two weekends: March 2-4, 2012 and March 23-25, 2012. The first weekend will focus on Steps 1 through 4. The second weekend will focus on steps 6-12. The time between workshops will allow you to finalize your 4th Step and complete your 5th Step with your sponsor.

Registration fee for both weekends is \$190.00 for Friday/Saturday overnight stay at the house (sleeps ~15) or \$105.00 for commuters. Meals and snacks will be provided (Saturday: breakfast, lunch and dinner; and Sunday: breakfast). Sleeping spots will be held on a first-to-register basis. Bedding is provided. There are hotels very close to the house if you are unable to stay there.

This workshop will take place at the Carpenter Place retreat in Brighton, MI (see address below). Arrival time will be Friday at 5:30pm or later with the meeting starting promptly at 7:30pm. For commuters, Saturday & Sunday breakfast will be at 8:00am and the sessions start at promptly at 9:00am. Sunday sessions will close at approximately 12:00 pm.

IMPORTANT: In addition to an open and teachable attitude, bring your AA Big Book, a copy of the AA 12 & 12, the SA White Book, a highlighter, a pen, and paper. Audio recording device is optional.

Bring your sponsor (...sponsors: bring your sponsees!) because there will be something for even the most experienced of us to learn in this seminar.
